A GOLF EXPERIENCE UNLIKE ANY IN THE WORLD.

Reunion Golf Academy

Golf is an individualized sport where every student and swing is unique. With this in mind, Reunion teaching programs are adaptable to the specific goals and needs of each student or group.

Our staff includes certified Class A PGA professionals with over 40 years combined teaching experience and 13 professional tournament wins between them. Programs include Individual Instruction, Group Lessons, Clinics, Golf Fitness and Golf Schools.

FootGolf

Played like traditional golf but with a soccer ball, FootGolf offers a unique and exciting way to experience the undulating fairways of our award-winning Watson Course.

FootGolf is played using the basic model of golf, with a tee box, a green, bunkers, hazards, a similar scorecard and 9 or 18 holes to play. The main differences are the cups, which are 21 inches in diameter, the ball (a #5 soccer ball), the shorter holes, and the fact that the players kick the ball instead of using clubs.

The main goal is simple: kick the ball into the hole with the fewest amount of kicks possible. Each hole has a Par just like golf ranging from Par 3-5 which adds up to a Par 72 the par indicates the possible number of kicks a player would need to get the ball into the hole.

Proper Attire

Reunion Resort does require proper dress attire while enjoying one of our three luxurious courses. Denim, bathing attire, collarless shirts, gym shorts, cut off shorts, short shorts, tank tops, tube and halter tops, and dress of this nature is not acceptable. In addition to proper soft-spiked golf shoes, here are some basic guidelines:

Men: Shirts with collars, dress collarless shirts, or mock-neck shirts with sleeves, slacks, Bermuda-length golf shorts.

Women: Dresses, skirts, slacks, Bermuda-length shorts with a golf shirt or blouse.

Forget your gear?
